

# Our GAP insurance includes Auto Deductible Reimbursement

It's not only cheaper than the dealers but if you suffer a loss during the benefit period of 3 years which is covered by the Member's Auto Insurance Policy, you may be entitled to reimbursement of the Auto Insurance Policy deductible amount up to one thousand dollars (\$1000) per loss (UNLIMITED losses per year).

To be eligible for reimbursement you must own or lease and insure the Covered Auto under an Auto Insurance Policy designating you as the Named Insured.
