Activate your temporary digital card

Access your card right away with Digital Issuance. You can make secure purchases in stores, apps, and on the web.

Before your new plastic card arrives, you'll receive a text to activate your temporary digital card. Click on the secure link.

Then select "Get started" to begin.

## Account verification

This is the first screen of the account verification process. The title bar at the top says "Account Verification" with a close button (X). The main text reads: "For security purposes, enter the access code from the text message we sent to you." Below this is a label "Access Code\*" followed by a text input field containing seven asterisks. At the bottom, there are two buttons: a blue "Next" button and a blue "Cancel" link. A footer link says "Need a new code? Please [contact us](#)".

To verify your new temporary digital card, enter the access code provided via text.

This is the second screen of the account verification process. The title bar says "Account Verification" with a close button. The main text reads: "Enter the last 4 digits of the card applicant's Social Security number." Below this is a label "Last 4 digits of SSN\*" followed by a text input field containing four asterisks and a blue "Show" link. At the bottom, there are two buttons: a blue "Next" button and a blue "Cancel" link.

Enter the last 4 digits of your Social Security number.

This is the third screen of the account verification process. The title bar says "Security Token" with a close button. The main text reads: "For security reasons, we need to send you a one-time passcode. Select how you would like to receive the code." Below this is an email address "p\*\*\*\*\*a@gmail.com" and a text input field for a passcode containing seven asterisks and the number "3417". To the right of the passcode field are two radio buttons. At the bottom, there are two buttons: a blue "Next" button and a blue "Cancel" link.

Choose how you'd like to receive your one-time passcode.

This is the fourth screen of the account verification process. The title bar says "Security Token" with a close button. The main text reads: "A one-time passcode has been sent to p\*\*\*\*\*g@gmail.com. Once you receive the code, enter it below." Below this is a label "Security Token" followed by a text input field containing four asterisks. To the right of the input field are a blue "Show" link and a blue "Having trouble?" link. At the bottom, there are two buttons: a blue "Next" button and a blue "Cancel" link.

Enter the code.

This is the fifth and final screen of the account verification process. The title bar says "And one last thing" with a close button. The main text reads: "Please review and accept our [Terms and Conditions](#) and [Privacy Policy](#) agreements before proceeding." Below this is a subtext: "The links will open in a new tab." At the bottom, there are two buttons: a blue "Accept" button and a blue "Decline" link.

Read and accept the Terms and Conditions.
